Restart TV:

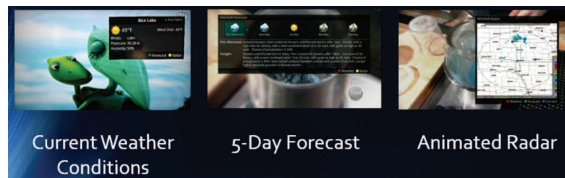

Missed the beginning of your show? **Restart It!** This feature allows you to restart a TV program from the beginning even if it's already in progress. Restart Channels are indicated by the green and white **Restart** icon. The **Restart** icon can be found in the Program Guide as well as the What's Hot app and the Browser Bar.

Restart TV

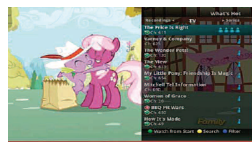

Weather App:

Weather information at your fingertips! View current weather conditions, a 5-day forecast, and animated radar with the push of a button on your remote.

What's Hot App:

This feature shows you a list of the most watched TV programs, recorded programs, and series recordings in your viewing area. And from this one app, you can set a recording, set a reminder, and search for additional times of a certain program.

Additional Features:

- Customizable Program Guide
- Enhanced Parental Controls
- On-screen instructions take you through every step of every screen
- Games: Memory, Minesweeper, Solitaire and Sudoku
- ManageMyTV app and/or WebPortal to view and search your TV Guide and manage your recordings remotely
- Cloud DVR , Personalized DVR Folders, and Binge Mode Playback

TV Tutorials:

Tune in to **Channel 999** for How-To-Tutorials about your remote control.

*fiber-speed that's so cool it
just might frost your TV
